MBA Global

Global Thinking

Today's business managers need to develop global vision and thinking. Each topic on this MBA equips you with sophisticated and practical business knowledge in a global setting. You will learn through real-world practical scenarios across the global business sector. We also allow you to undertake a corporate placement project instead of a traditional dissertation. You will study best practices from and with a diverse group of similarly motivated classmates, including established and aspiring business professionals. Students interested in our MBA program come from all over the world. The MBA Global pathway includes important issues like risk management and global supply chain management and aids in developing a broad-based, well-rounded understanding of international business.

Careers

The mentoring and coaching help we offer is one of the programmes' distinguishing characteristics. Transforming Personal Skills and Career Coaching and Mentoring are two support courses we have integrated into the curriculum to help you become more employable. They promote your long-term career planning and professional development while helping you to reflect on your accomplishments and growth.

What you will study

Strategic & Financial Performance Management (20 credits)	Critical Perspectives in Strategic Management & Leadership (20 credits)	Global Strategic Operations, Markets & Resources (20 credits)	Transforming Personal Skills (0 credits)
Business Research Methods & Data Analysis (20 credits)	Risk Management in a Global Context (20 credits)	Global Supply Chain Management & Logistics (20 credits)	Career Coaching & Mentoring (0 credits)
Dissertation (60 credits)			

How you will learn

We deliver a dynamic study experience, taking you beyond the classroom to apply learning to real-world challenges, including delivering practical solutions. Our main aim is for you to become independent learners and critical, creative thinkers. You will be inspired by a mix of:

- Face-to-face and virtual lectures
- Case studies
- Role play
- Debates
- Online discussions
- Presentations
- Enquiry-based learning
- Problem-solving activities
- Industry seminars and conferences
- Guest speakers
- Visits to various business organisations

In our engaging learning environment, you will receive individual support from faculty. We provide you with key reading and research resources, and you can make the most of the University's online teaching portal.

How you are assessed

Our wide-ranging assessment methods are designed to enhance your transferable skills, personal, and professional development. They may include:

- Computer-aided tests
- Research projects
- Work-based reports
- Case study analysis
- Reflective reports

Our structured approach to formative assessment means that you will receive ample feedback on your progress throughout the MBA

Admission Requirements

a) An application file:

You must fill in and submit the ARIU application form (also available online on our website) together with a copy of your valid Qatar ID and passport and 4 passport sized photographs.

b) Original or an official copy of your Bachelor degree and transcript:

Applicants should normally hold a good honours degree (minimum upper second class or equivalent). Graduates of Qatar University or other universities in Qatar must submit an original or official copy of their bachelor's degree and the transcript. Graduates of universities abroad must submit a fully legalised bachelor's degree certificate and transcript together with an "Equivalence Certificate" from the Ministry of Education and Higher Education in Qatar. Please contact the university's administration for more information.

c) English Language Requirements:

IELTS 6.5 (Overall Band Score) with 6.0 (or equivalent) each for the individual skills (Reading, Writing, Listening, Speaking).

Alternatively, we may be able to accept one of the following:

- Successfully pass the ARIU English Language Test. or
- English Waiver: you can submit an official letter from your previous university stating that your programme was fully taught in English as the primary medium of instruction.

d) Application for accreditation of prior learning (if applicable):

Applicants who have already had significant prior education at post graduate level may get accreditation of prior learning. Please contact the university's administration for more information.

e) A personal statement:

You must submit a letter in English (minimum of 400 words) showing your motivation for the programme of choice. This letter should include your reasons for applying for the course, your work experience, how you feel you would benefit from studying this programme, relevant information about your previous studies and your career ambitions. You can also include your non-academic experiences such as hobbies, interests, participation in any clubs, societies or voluntary work. For more information on the personal statement, please visit:

<https://www.derby.ac.uk/undergraduate/apply/personal-statement/>

f) Curriculum vitae (CV):

You must submit a detailed CV showcasing your academic and professional achievements, past and current work experience etc.

g) Academic and professional references:

You must submit at least one academic and one professional reference letter to support your application for your post graduate studies.

h) Entrance Interview:

After processing your written application and meeting the overall requirements you will be given a date for a university entrance interview. The result of this interview will determine if you will enter our postgraduate programme at ARIU with the University of Derby.

i) Non-Objection Letter from the Qatar National Service Academy:

Qatari male applicants must submit a non-objection letter from the Qatar National Service Academy addressed to ARIU to study in one of the postgraduate programmes at the university.
